1. Discussion:

Finance & Audit Committee Report

- Balance Sheet
- Profit and Loss Budget Comparison
- 2. Finance & Audit Committee District Payables Review and Approval/Signing

### **Balance Sheet:**

The District's combined Cash with Chase and LAIF balance was \$1,220,003 at month end. The District's total liabilities were approximately \$1,044,307 at month end.

### **Profit and Loss:**

- 4. Commodity Sales: This is the variable income from charges linked to the consumption of water. YTD is trending at 11% due to higher consumption in the summer months.
- 8. New Account Fees: These fees are hard to predict and can trend under or over budget during the year.
- 16. Cell Tower Lease Income: YTD is trending above target at 17% due timing of cell tower deposits, two receipts included in July.
- 32. Workers Compensation: YTD is at 15% due to timing of workers comp payments.
- 42. Utilities Wells: Electricity costs relating to District wells. YTD is above budget at 14% due to increased pumping activity in the summer months.
- 69. Temporary Labor: This account is related to the NBS rate study.
- 85. Equipment Rental: YTD is at 73% due to equipment rentals related to an emergency repair in July.
- 100. Main Street Improvements: YTD is at 23% due to the timing of project expenditures. July activity includes an invoice from Tess Electric for installation of new Edison raceway & meter pedestal for \$4.7K.

As of July 31st the fiscal year-to-date net income is \$42,895.

### **UPDATES**

1. Update: San Gorgonio Pass Regional Water Alliance Update (by Director Israel / Director Morris)

Nothing to report. Meetings have not yet resumed due to the pandemic.

**Manager's Operations Report** 2. Update: (by GM Louie)

- Carmen Ave attempted water theft
- · Increase in homeless/squatters in Cabazon, along with an increase of water theft occurrences
- McDonald's fire hydrant was leaking. CWD repaired hydrant.
- Director Lynk and Wargo to meet with GM Louie on 8/20/20 at 3:00 pm to discuss the new concrete dinosaur statue that was donated by Kerri Mariner.
- Ford Fiesta currently in the shop; it had squeaky brakes from accumulated dirt/dust, and additionally needed an oil change.
- Edison PSPS Events No PSPS events have occurred in Cabazon recently, but the General Manager stayed in town overnight from August 4-5, 2020 to ensure the ongoing Apple Fire did not affect the CWD water system. Thankfully it did not.
- · COVID-19 Update: District office lobby is still closed to the public, although phone calls and drop box payments will still be taken.

### **NEW BUSINESS**

1. Discussion/Action:

Future/Potential Connection Reimbursement Agreement for 10 years in regards to a customer paying to extend a water main to her property, which would in turn benefit other parcel holders.

- Contract drafted by legal. Customer (Miffleton Real Estate) wants to pay
  upfront to have a water main line extended to reach her property, which
  would in turn benefit parcels between the current existing line and her
  property. This is a contract to provide her a partial reimbursement
  should any connections occur within 10 years of her extending the line.
  See contract for specifics.
- It was explained that the District's engineering firm was currently
  working on some of the financial specifics in the contract, but the
  contract in general needed board approval before the District could
  move forward with it.

Motion to approve the contract/contract language for the Connection Reimbursement Agreement for 10 years in regards to Miffleton Real Estate paying to extend a water main to her property, which would in turn benefit other parcel holders made by Director Israel and 2<sup>nd</sup> by Director Morris.

### OLD BUSINESS

1. Discussion/Action:

District Office A/C System Repair – Approval to fund the repair of the District's current A/C system, which may or may not have a positive/negative/neutral impact on the District's current FY budget. (By GM Louie)

Staff report

- The District made multiple attempts to contact multiple A/C companies for competitive bids. There was a company that was retiring (no longer accepting work), another that went out of business, many (about 6 or 7) that were unresponsive, and one (Beach N Air) that inspected our system and informed District staff that it would not be cost effective to change out the entire A/C system, and that it would be more prudent to find a company that can upgrade the software system (since that was all that was wrong with the District/s A/C system). Ontario Refrigeration has been the only A/C contractor that has provided a bid to do this.
- Ontario Refrigeration's bid for the upgrade was listed at approximately \$21,800. It should also be noted that the District's office a/c has not been working correctly since August 13, 2020 (it has become very hot in the office during working hours).

Motion to approve Ontario Refrigeration's Proposal 012320139A to install a new Johnson Controls FX80 Supervisory Controller in regards to the District's A/C system made by Director Wargo and 2<sup>nd</sup> by Director Morris.

2. Discussion/Action:

Recruitment & Employment – approval to fill current vacancy (which may or may not have a positive/negative/neutral impact on the District's current FY budget). (by GM Louie)

- Staff report
- The Board expressed the importance of filling the third field crew position vacancy as soon as possible, but stated that they did not want the District to advertise in the Press Enterprise or Desert Sun papers due to the expense and the decline of newspaper subscriptions, and instead offered the alternative of suggesting the District post the job advertisements on free sites like indeed.com and linkedin.com.

Motion to approve continuing efforts and funding to fill the current field vacancy, with the exception that the District will post job vacancy notices on free sites like indeed.com and linkedin.com instead of via the Press Enterprise (at cost) and Desert Sun (at cost) made by Director Israel and 2<sup>nd</sup> by Director Morris.

Discussion/Action:

Well No. 1 Rehabilitation and Re-equipping Project – Approval to continue to fund this project (which may or may not have a positive/negative/neutral impact on the District's current FY budget). (By GM Louie)

- Staff report
- The General Manager requested that the Board provide direction regarding whether they wanted to continue the search for bids for this project since all bids were rejected during the last regular board meeting.

Motion to approve continuing this project and requesting a bid reissuance made by Director Morris and 2<sup>nd</sup> by Director Wargo.

4. Discussion/Action:

Main St. & Pecan Ave. District Yard – Approval to continue to fund this project which may or may not have a positive/negative/neutral impact on the District's current FY budget. (By GM Louie

- Staff report
- The General Manager requested that the board provide direction regarding
  whether they wanted to continue with this project since there may be unforeseen
  costs that arise. The current budget listed \$20,000 for this project, but the
  General Manager felt that there may be an additional \$5,000 required for project
  completion. The Board decided to approve a budget total of \$25,000 for this CIP
  project.

Motion to approve continuation of the Main St/Pecan St property CIP improvements, and to increase the Profit and Loss Budget Line Item 100: Main St. Improvements from \$20,000 to \$25,000 made by Director Sanderson and 2<sup>nd</sup> by Director Morris.

ATTN: Community - Donation Request

To whom it may concern,

The Cabazon Water District is a public water district that serves potable water to a community of 2,500 that is severely disadvantage.

Recently, a former water board member donated a dinosaur statue that now sits near the front entrance of the water district's administration facility.

The water board has directed management to spearhead a "Name the Water Dinosaur" and coloring contest for Cabazon youth, 12 years and under. The Board of Directors will be selecting the *name of dinosaur* and winning *coloring picture* of a dinosaur on October 20, 2020, the evening of the regular board meeting. On behalf of the Cabazon Water District's Board of Directors, I would like to respectfully request In-N-Out donate whatever it deems appropriate for our humble community outreach.

The requested prizes are as follows:

The winner of the "Name the Water Dinosaur" contest.

- In-N-Out Burger Foundation Lunch Box & Thermos
- \$10 IN-N-OUT gift card

1<sup>st</sup> Place Coloring Contest

- In-N-Out Burger Foundation Lunch Box & Thermos
- \$10 IN-N-OUT gift card

2<sup>nd</sup> Place Coloring Contest

- White & Red Mug
- \$10 IN-N-OUT gift card

3<sup>rd</sup> Place Coloring Contest

- Eraser Set
- \$10 IN-N-OUT gift card

On behalf of the Cabazon Water District Board of Directors and the residents of Cabazon, we thank you for your consideration.

Please feel free to contact me if you should have any further questions.
