

Cabazon Water District

14618 Broadway Street • P.O. Box 297
Cabazon, California 92230

JOB OPPORTUNITY

Water Technician II

(Pension/Health/Vacation/Sick)

SALARY: Starting \$26.29 - \$35.24 hourly based on experience, education, and training.

Job Functions

Under direction of the General Manager, the technician's duties include, but are not limited to the following:

- Learns to perform maintenance and operations functions of the water distribution system and equipment. Has customer contact and acts as a representative of the District.
- Performs meter reads and field investigations.
- Performs collection activities of delinquent accounts.
- Under specific direction, follows established policies and procedures in conducting service installation and repair of equipment, to ensure proper working order.
- May take payments at the customer transaction window and answer incoming phone calls in the absence of the billing department's staff.
- Assists in planning, and coordinates services, activities, and operations of all facilities, equipment, and projects.
- Assist in managing contractors, vendors, and consultants ensuring District standards, policies, and directives are maintained.
- May operate District vehicles and equipment according to established safety procedures.
- May be required to work in the field during all weather conditions to perform various water operations tasks, construction, inspections, and related water quality duties.
- The General Manager may assign employees to Standby. Being on Standby requires the employee to answer the District's 24-hour emergency phone and respond to emergencies within (1) hour.
- Other duties as assigned.

Minimum Qualifications:

- High school diploma or equivalent.
- Valid California Driver's license.
- Background & Drug Screening
- May include but is not limited to standing, climbing, walking, lifting, bending, pulling and/or pushing, grasping, reaching, stooping and crouching, sitting, typing, walking, reading, writing, color determination, speaking, and listening for extended periods of time.
- This position requires a valid **CA/DWR Grade II Distribution Certificate** at the time of employment.
